THE
PROTECTOR
GROUP™

We are regulated by the Security Industry Authority (SIA) as a government Approved Contractor under the ACS scheme we also abide and are regularly audited by the British Standards Institution (BSI) for BS7984 Keyholding and response services.

The Protector Group Patrol & Response service is designed to minimise the risk of theft, damage or attack on your business by providing the reassurance of an efficient and reliable service.

As the North East's leading security company our dedicated Patrol & Response team brings you specialist expertise peace of mind and value for money.

Our Services

Mobile Patrols

Our Mobile Patrol Officers wear a highly recognisable uniform and drive our liveried vehicles in order to provide a visual deterrent and protect your premises from crime, energy wastage, vandalism or unwanted occupation.

Lock and unlock service

Our Mobile Patrol Officers will lock and unlock your premises and disarm the intruder alarm for you at agreed times. They will inspect your premises to make sure that it is fit and ready for you and your staff to work when you arrive and depart.

Vacant Property inspections

Our Mobile Patrol Officers will regularly inspect vacant properties for vandalism, graffiti, weather & flood damage using the latest reporting technology.

Private Investigations

Our dedicated team of ex - Police Detectives can deliver services in both private and commercial matters.

ASB Professional witness statements

Our ex - Police Detectives provide 24/7 witness support and court ready evidence to help victims of anti-social behaviour.

MOBILE SECURITY SERVICES

THE
PROTECTOR
GROUP™

Mobile Escort

We can arrange for a Mobile Patrol Officer to act as a proxy member of staff, for example when a contractor needs to access your premises out of hours. We will collect your keys, or meet a member of your staff at the premises, accompany the contractor whilst they are in your building and then ensure your premises are locked and secured.

Lone Worker protection

We have a range of Lone worker solutions tailored to suit your needs from state of the art devices to a Mobile Response Officer.

Keyholding

We will safeguard a set of your keys, unmarked and secure ready for when the need arises to respond to an alarm activation or emergency access is required in accordance with regulatory standards.

Alarm Response

When required to attend an alarm response incident on your behalf our Mobile Patrol Officers carry smart phones allowing for rapid reporting. In addition we will professionally deal with any events discovered.
